

Assistant Director for Operations

16 April 1947

Adviser for Management, ICAPS

Disposition of GDS, Baltimore.

1. You are authorized on or after 31 May 1947 to bring the personnel of the GDS in Baltimore from that city to Washington and install it in the present space occupied by Documents Branch. This includes all civilians employed in GDS and such military personnel as you can persuade to take civilian employment.

2. You should not offer any grades higher than P-6 and should limit yourself to 3 or 4 in that grade in civilianizing officers. You may have your representatives assure the present civilian employees of permanency of employment and maintenance of present grades providing they pass the Civil Service Board and the necessary background investigations.

3. You are authorized to extend similar provisions to the present personnel of the GDS in the Pentagon Building.
